From

The Director of Agriculture. no R.O.C. 264 A & 14.8.24.

Recommends the grant of 4 months privilege leave from the 21st inst 24 and the payment of passage money to Mr. Davison Live Stock expert and states that he will take over charge of Mr. Davison's work during his absence.

Under the terms of his engagement Mr. Davison is entitled to double first class passage for the return journey to America in case the engagement is terminated at the end of 5 years, i.e., on 22nd January 25 His leave during the period of employment has to be regulated by the Mysore Service Regulations.

The question of the further retention of Mr. Davison's services is separately under consideration and the opinion of the Director of Agriculture in the matter is awaited (vide linked file). From the Director's present communication it is not clear whether Mr. Davison intends to return to Mysore service after the expiry of leave applied for i.e., on 21st Dec. 1924. The Comptroller's certificate showing his title to the leave has been separately called for.

If Mr. Davison is entitled to four months' privilege leave for which he has applied, it may be sanctioned.

As regards his request for passage, there are two points to be considered:

A (1) It will be seen from para 4 of Government order dated 3rd April 1920 that return passage is payable "in case the engagement is terminated at the end of five years". The difference of a month to which Mr. Davison refers ~~to~~ in the last para of

H his letter dated 14th August 1924 is immaterial and passage may be allowed if otherwise admissible; ~~but~~ passage can be given only if the engagement is terminated on the expiry of the present period of five years. There is no information in the file to show whether it is proposed to terminate the ~~agreement~~ engagement; if not, and if his employment is to be continued, passage is not payable

by Government. Now

(2) The order referred to, no doubt, provides for the grant of two first class passages. The second fare is obviously for his wife who now happens to be in America. I do not, therefore, see the need for giving him two passages. If passage should be allowed on the assumption that his engagement is terminated, what is payable would appear to be only one fare and not two fares.

Strictly speaking Mr Dawani is not entitled to two first class fares as one of them was ~~ordered~~ intended for his wife who is now not with him in India. But we need not ~~be~~ so hard upon him as he has done very good work during his stay in Mysore. We need not also be very strict as regards his leave & his service. He has ~~spent~~ in all four months more to complete his term of 5 years. The deficiency may be condoned

	and he may be given his leave (6 months) he is entitled to.
	As regards renewal of his term of post, his Director recommends his being given a pay rising to Rs 1400 by annual increments of Rs 50. He came here on a pay of Rs 1000-50 1100 and it is not likely that now he has passed a lot of Indian Superiors he will consent to continue on his present scale of pay. There is no Indian at present in his service who can take up his Darjeeling post. Mr Gharpurey has had some training in Surface and in Calcutta Practice, but he would be able to get on under Dr Coleman. We will have to accept Mr Mukerji's proposals for Dr Coleman. Mr Darjeeling may then be taken permanently and his present service. It will not be necessary then to give him passage money for his return journey to India as he will get his benefit after 5 years service he has already put in which may count towards his pension. However these questions may be settled later on. Mr Darjeeling may be granted his leave asked for by him and his pass as requested (Public Works Dept.)

In forwarding herewith copy of letter No.690, dated 14th August 1924, from the Live Stock Expert, I have the honour to request that you may be so good as to obtain immediate orders of Government sanctioning both the grant of four months' privilege leave to Mr. Davison with effect from 21st instant and the payment of the passage money applied for by him. I trust that the fact that he is leaving India before the expiry of his term will not be considered as standing in the way of granting the concession as regards payment of passage. The conditions are very exceptional, and I trust therefore that Government will be able to give Mr. Davison's application sympathetic consideration.

I may say that I propose to take over charge of Mr. Davison's work during his absence.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Agriculture.

Letter No.690, dated 14th August 1924, from the Live Stock Expert in Mysore to the Director of Agriculture in Mysore, Bangalore.

****

As I have been summoned by cable to see my wife who is now lying very seriously ill, I am compelled to request that I may be allowed to avail myself of the four months' privilege leave due to me in accordance with the Mysore Service Regulations with effect from 21st instant.

In this connection, I have the honour to point out that in accordance with the terms of my agreement with the Mysore Government, I am entitled to two first class passages to Canada. At present rates, this amounts to £80 to London by Peninsula and Oriental B. accommodation and £45 from Liverpool to Montreal, not including railway fares, or for two passages £250.

As the period of my agreement is within a month of expiry, not including the leave due, I have the honour to request that Government may be requested to make this amount payable to me at once, so that I may use it to defray expenses in connection with the journey which is now necessary.

Bangalore August 30, 1924.

Dear Mr. Matthan,

With reference to our conference with the Dewan on the 20th instant, I am forwarding herewith copy of letter sent in by Mr. Davison from Bombay as regards the payment of passage money for himself and his wife. As you are aware his wife left here more than three years ago, and no application was made for passage money for her at that time.

I should be glad if you would obtain early orders of Government in this matter, as I feel sure that Mr. Davison is in very urgent need of money.

Yours sincerely,

K. Matthan, Esq., B.A.,
Chief Secretary to the Govt. of Mysore,
Bangalore.

Letter dated 22nd August 1924 from Mr. W.Davison from Bombay, to the Director of Agriculture in Mysore, Bangalore.

With reference to our conversation with the Dewan, in his office on the 20th instant regarding payment of my passage money, I have the honour to request that Government may be requested to make available to me at once, part of the amount due to me, viz., Rupees three thousand (Rs.3000/-) subject to repayment, if need be from my salary in instalments, if and when I rejoin duty and continue my service on a permanent basis. Failing the latter, the amount advanced may be deducted from the total amount of return passage money due under my agreement, (approximately £.250/-) when settlement is made on that account.

I have the honour to request further that the money in question may be made payable to the Bank of Mysore, who are under instructions as to its disposal.
